AKILES

BookletMac

[AUTOMATIC BOOKLET MAKER]

Staples & Folds Automatically

**800 Booklets
Per Hour!**

Easy to Operate

Built-In LCD with automatic or manual controls make it extremely easy to use.

High Binding Capacity

Up to 22 sheets of 20 lb paper at a time (88 pages).

Multi-Functional

Multiple settings allow you to choose from Fold & Staple, Fold Only, Staple Only, and Center, Side or Corner Stapling.

Heavy-Duty Stapler Heads

Precision engineered stapler heads provide many years of trouble-free booklet making. (2 included with machine)

The Akiles BookletMac is the fast and easy way to create professional booklets. With its numerous innovative features and heavy-duty construction, BookletMac is the perfect machine for any office or print shop in today's digital print market.

Length Adjustment Knob

Adjust the machine to accommodate sheet lengths from 8-1/4" to 17-3/4".

See-Through Window

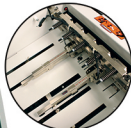

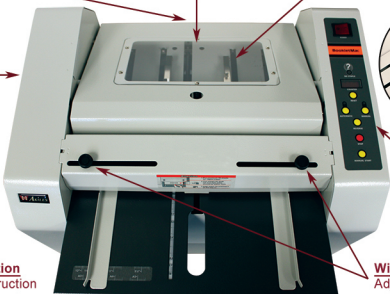

Allows you to monitor the operation easily.

Adjustable Staple Heads

5 stapling positions allows 1 to 5 staple heads to be installed at the same time. (2 staple heads included with machine)

Fold Control

2 settings allow you to create booklets with or without folds.

User Friendly Controls

Built-in LCD, warning lights and easy to read buttons, make it extremely simple to set-up & operate.

Heavy-Duty Construction

Rugged all metal construction designed by CAE (Computer Aided Engineering) technology.

Storage Drawer

Includes a box of 26/6 staples, extra staple pushers, universal wrench & a bottle of machine lubricant.

Width Adjustment Knobs

Adjust the machine to accommodate sheet widths from 4-3/4" to 12-1/2".
